Commander

There is an organization called **Arizona Disabled Veterans** claiming to raise money for DAV. They are also claiming that they have an agreement with DAV National to raise funds. They do not, there is no agreement nor contract to do so at all. This group is part of **Disabled Veterans of America**. Again this organization is a SCAM. I've enclosed a copy of their flyer. Please inform your chapter members about this. Thanks for your cooperation in this matter.

Resectfully
