

HSD/HOLISTIC CASE MANAGEMENT PROGRAM

Helping People Help Themselves

The purpose of case management is to aid clients in becoming economically self-sufficient.

The case manager plays an advocacy role and assists the clients in seeking employment, finding adequate housing, and overcoming obstacles to independence and self-sufficiency.

- ♦ Due to very limited funding, our call in day process has been eliminated.

If you are interested in case management only without any financial assistance (rent/mortgage assistance) please call for an appointment:

HSD/A HAND UP HOUSING COUNSELING PROGRAM

Our housing counselors provide expert housing and financial counseling and education. We'll help you better understand your finances, learn how to reach your housing and financial goals, and help you avoid foreclosure.

Programs include: Classes on home buying (certified), DIY home maintenance and financial capabilities; Counseling on budgeting, pre-purchase, mortgage delinquency and default resolution, rental and homelessness, and reserve mortgage.

We also provide education on your **fair housing rights** and responsibilities. You have the right to choose where you want to live. If you feel you have been a victim of fair housing discrimination, we can help.
