The Job Connection provides you "hands on" assistance in finding and keeping a job by helping you figure out what type of job you are interested in and are qualified for, learn how to complete employment applications, prepare strong resumes and cover letters, identify employment openings and conduct successful interviews.

Our employment specialist will work with you to identify your needs, develop an employment plan, and work with you every step of the way so that you are successful in reaching your goal.

We can provide you and members of your family emergency assistance. We provide, on a walk-in basis, toiletry items, essential clothing and household goods, some snacks, hot coffee and a hospitable place to get out of the weather for a while. There are no fees for these services.

We can also link you to vital services and resources here at Goodwill and/or with community partners. We will help you identify your needs and connect you to a resource which can help you.
